RESULTATS 2021

A horizontal bar chart showing the percentage of respondents who said they had been to a protest or rally in the past year from 2017 to 2020. The y-axis represents the percentage from 0% to 100%. The x-axis shows the years 2017, 2018, 2019, 2020, and 2021. The bars are colored pink, red, dark red, maroon, and teal respectively.

Year	Percentage
2017	~45%
2018	~55%
2019	~65%
2020	~75%
2021	~85%

The map displays the 'Cobertura territorial' index across the municipalities of Catalonia. The index is represented by a color gradient: dark red indicates the highest values (around 0.8), while white indicates the lowest values (around 0.2). The map shows a clear spatial pattern where higher values are concentrated in the central and southern parts of the region, while lower values are more prevalent in the northern and eastern coastal areas.
